CREATING COMMUNITY TOGETHER

DISPLAY OPPORTUNITIES ON THE MARJCC CAMPUS

# ABOUT THE MARJCC

In 1979, The Young Men and Women's Hebrew Association of South Florida established a satellite facility in North Miami to provide recreational and cultural services to the increasing numbers of Jewish families moving to that area. Clearly seeing the need to expand, the agency's leadership built the Michael-Ann Russell Jewish Community Center in North Miami Beach.

The Michael-Ann Russell Jewish Community Center is a non-profit organization dedicated to enriching Jewish life by fostering the spiritual, emotional, and physical development of its members through all of life's stages and circumstances.

From inter-generational festivals, cultural arts offerings, lecture series and community workshops to sports leagues and instruction for all ages, fitness classes, special needs programming, summer camp, and our preschool program, the MARJCC is dedicated to the enhancement of individual and family growth and the enrichment of community life.

## VISION STATEMENT

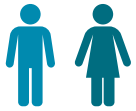

We envision our 21st Century JCC embracing the Jewish community as their home away from home, a place offering a robust array of enriching programs and special events across all life stages.

## MISSION STATEMENT

The Michael-Ann Russell JCC is a welcoming, multi-cultural and inclusive hub for the North Miami-Dade County Jewish community. It is dedicated to fostering vibrant lives and meaningful, lifelong connections through a rich array of programs and services.
